

Plan overview

The "Plan" is a six year investment which is designed to provide investors with the full return of their capital plus participation in the growth of the FTSE™ 100 Index over the six year term of the product.

Key Dates

Launch Date:	10th January 2005
PEP / ISA Transfers Deadline:	11th February 2005
Closing Date:	25th February 2005

Key Terms

Investment Term:	6 Years
Underlying:	FTSE™ 100 Index ("the Index")
Returns at Maturity:	The investment growth at maturity will equal an investor's initial investment multiplied by one point two times (120%) the percentage growth in the FTSE™ 100 Index over the six year investment term. This is calculated by reference to the percentage change between the Initial Index Level and the Final Index Level. If the Final Index Level is below the Initial Index Level, growth will be zero.
Initial Index Level:	The official closing level of the Index on 11th March 2005.
Final Index Level:	The Final Index Level is the average of the twelve monthly closing levels of the FTSE™ 100 Index from April 2010 to March 2011 (12 observations in total).
