Wang, Kathryn Huberty, RJ Sridhar.

Important US Regulatory Disclosures on Subject Companies

The information and opinions in this report were prepared or are disseminated by Morgan Stanley & Co. Incorporated and/or Morgan Stanley & Co. International Limited and/or Morgan Stanley Japan Limited and/or Morgan Stanley Dean Witter Asia Limited and/or Morgan Stanley Dean Witter Asia (Singapore) Pte. (Registration number 199206298Z) and/or Morgan Stanley Asia (Singapore) Securities Pte Ltd (Registration number 200008434H) and/or Morgan Stanley & Co. International Limited, Taipei Branch and/or Morgan Stanley & Co International Limited, Seoul Branch, and/or Morgan Stanley Dean Witter Australia Limited (A.B.N. 67 003 734 576, holder of Australian financial services licence No. 233742, which accepts responsibility for its contents), and/or JM Morgan Stanley Securities Private Limited and their affiliates (collectively, "Morgan Stanley"). Certain disclosures listed below are also for compliance with applicable regulations in non-US jurisdictions.

The following analyst, strategist, or research associate (or a household member) owns securities in a company that he or she covers or recommends in this report: Mary Meeker - eBay (common stock), Yahoo! (common stock), Intuit (common stock), Amazon.com (common stock); Bill Lu - Intel Corp (common stock), Atheros Communications (common stock); RJ Sridhar - Cisco Systems (common stock). Morgan Stanley policy prohibits research analysts, strategists and research associates from investing in securities in their sub industry as defined by the Global Industry Classification Standard ("GICS," which was developed by and is the exclusive property of MSCI and S&P). Analysts may nevertheless own such securities to the extent acquired under a prior policy or in a merger, fund distribution or other involuntary acquisition.

The following company employs a household member of a research analyst or associate who covers or recommends its securities: Cisco Systems.
