(b) Security (order of priorities):

The Trustee shall apply all moneys received by it under the Trust Deed in connection with the realisation or enforcement of the security constituted by or pursuant to the Trust Deed in accordance with the following:

Derivatives Counterparty Priority

In accordance with the Supplemental Trust Deed, the Security for the Notes shall comprise all of the following:

- (i) a first fixed charge in favour of the Trustee over the Underlying Securities and all of the Issuer's rights attaching to or relating to the Underlying Securities and all sums derived therefrom;
- (ii) an assignment by way of first fixed charge in favour of the Trustee of all of the Issuer's rights, title and interest against the Custodian, to the extent they relate to the Underlying Securities;
- (iii) an assignment by way of first fixed charge in favour of the Trustee of all of the Issuer's rights, title and interest under each of the Swap Agreement and the Swap Guarantee, and any sums received thereunder;
- (iv) a first fixed charge in favour of the Trustee over (a) all sums received under the Swap Agreement and the Swap Guarantee; and (b) any sums held by the Principal Paying Agent and/or the Custodian and/or the Registrar to meet payments due in respect of the Notes; and
- (v) an assignment by way of first fixed charge in favour of the Trustee of the Issuer's rights, title and interest under the Agency Agreement in respect of the Notes and the Underlying Securities, including all sums derived therefrom in respect of the Notes and all rights against the Custodian with respect to the Underlying Securities, including without limitation all rights to the delivery of such Underlying Securities against the Custodian under the Agency Agreement or any applicable clearing system or the operator thereof or against any bank, broker or other intermediary and including all sums and other rights derived from such Underlying Securities.

The claims of the Trustee, the Custodian, the Principal Paying Agent, the Registrar and the Swap Counterparty against the Issuer shall rank prior to the claims of the Noteholders under the Notes in the application of all moneys received in connection with the realisation or enforcement of the Security. As "Counterparty B Direction" applies, in realising the Security, in certain circumstances the Trustee is obliged to act in accordance with the directions of the Swap Counterparty (provided that sums are due to the Swap Counterparty).

- (c) Underlying Agreement (if applicable): Not applicable
- (d) Derivatives Contract:
- (i) Swap Agreement (including the Credit Default Swap Transaction and the Asset Swap Transaction and the Contingent Forward Transaction) and the Swap Guarantee: In connection with the issue of the Notes, the Issuer has entered into, amongst other things, an ISDA Master Agreement (the "**MSIPlc ISDA Master Agreement**") dated as of 29 April 2005 between the Issuer and the Swap Counterparty which MSIPlc ISDA Master Agreement benefits from a guarantee (the "**Swap Guarantee**") of the Swap Guarantor dated 29 April 2005. Under the MSIPlc ISDA Master Agreement in respect of this Series the Issuer has executed certain confirmations thereto which incorporate the terms of the MSIPlc ISDA Master Agreement. The confirmations to the MSIPlc ISDA Master Agreement which relate to the Notes comprise a credit default swap transaction (the "**Credit Default Swap Transaction**") and an asset swap transaction (the "**Asset Swap Transaction**") and a contingent forward transaction (the "**Contingent Forward Transaction**"), each dated the Issue Date. The MSIPlc ISDA Master Agreement together with the confirmations thereto which relate to the Notes are together referred to herein as the "**Swap Agreement**" (which term shall, where the context requires, refer to the MSIPlc ISDA Master Agreement together with the confirmations thereto which relate to this Series).

Pursuant to the terms of the Credit Default Swap Transaction the Issuer has agreed to sell credit protection to the Swap Counterparty in relation to the Companies and the Sovereign Entity in a currency amount equal to the US dollar equivalent of the Principal Amount of the Notes as determined by the Determination Agent, acting for and on behalf of the Issuer, in its sole and absolute discretion against payment of a premium amount (the "**Credit Default Swap Premium**") and the Issuer has agreed that following the giving of notice of the occurrence of a

Company or Sovereign Credit Event, it will pay to the Swap Counterparty an amount equal to the Liquidation Proceeds and the Swap Counterparty will pay an amount equal to the Company or Sovereign Credit Event Redemption Amount (after certain adjustments have been made by the Swap Counterparty as described under the definition of Company or Sovereign Credit Event Redemption Amount set out in Annex 2 below).

Furthermore, in connection with the issue of the Notes the Issuer has entered into the Asset Swap Transaction in a currency amount equal to the Principal Amount of the Notes pursuant to which (A) the Issuer has agreed to pay to the Swap Counterparty (i) an amount equal to all distributions in respect of interest or income receivable by the Issuer in respect of the Underlying Securities and (ii) an amount equal to the Credit Default Swap Premium and (B) the Swap Counterparty has agreed to pay to the Issuer an amount equal to all amounts of interest due in respect of the Notes.

Pursuant to the terms of the contingent forward transaction, if an Issuer Call Option is exercised in relation to the Notes, the Issuer will deliver to the Swap Counterparty the Underlying Securities in respect of the Notes, and the Swap Counterparty will pay to the Issuer a cash amount equal to the principal amount of the Underlying Securities.

The Swap Agreement may be terminated early, amongst other circumstances:

- (a) at the election of the non-defaulting party upon an Event of Default under the Swap Agreement, including:
 - (i) the failure of the other party to pay any amount due and payable under the Swap Agreement, and such failure continues for one Business Day (as defined in the Swap Agreement);
 - (ii) non-compliance by the Swap Guarantor with any of its obligations under the Swap Guarantee, or the ceasing of the Swap Guarantee to be in full force and effect;
 - (iii) the merger of either party or the Swap Guarantor, as the case may be, with another entity and such entity fails to assume all of the relevant party's obligations under the Swap Agreement or the Swap Guarantee;

- (b) on the occurrence of certain Termination Events, including:
 - (i) it becoming illegal for either party to perform its obligations under the Swap Agreement, or for the Swap Guarantor to perform its obligations under the Swap Guarantee;
 - (ii) if (subject as provided in the Swap Agreement) withholding taxes are imposed on payments made by the Issuer or the Swap Counterparty under the Swap Agreement, as the case may be, which is not avoided by a transfer by the Affected Party (as defined in the Swap Agreement) of its rights and obligations on terms provided in the Swap Agreement;
 - (iii) when the Notes become repayable in whole prior to the Maturity Date (other than as a result of the occurrence of a Company or Sovereign Credit Event or as a result of the exercise of an Issuer Call Option);
- (c) where a Company or Sovereign Credit Event has occurred, the Swap Agreement will terminate on the Company or Sovereign Credit Event Determination Date; and
- (d) upon the exercise by the Swap Counterparty of a Swap Counterparty Option in respect of the Notes, the Asset Swap Transaction and the Credit Default Swap Transaction in respect of the Notes will terminate on the Optional Termination Date.

Consequences of Early Termination:

Upon any such early termination of the Swap Agreement (in whole or in part), as the case may be, and such agreement is not replaced on or prior to such termination, the Notes will become repayable and the Issuer or the Swap Counterparty (as the case may be) may (subject as set out below and provided, in the case of certain tax events, that the Issuer shall seek to effect a transfer of its obligations) be liable to make a termination payment to the other in respect of the Swap Agreement (regardless, if applicable, of which of such parties may have caused such termination).

Further, under the terms of the Swap Agreement, termination payments will not be payable following termination as a result of the exercise by the Issuer of an Issuer Call Option, the exercise by the Swap Counterparty

of a Swap Counterparty Option, the occurrence of a Company or Sovereign Credit Event Determination Date (save in respect of any amounts which should have been paid prior to the date of termination and which remain unpaid).

Where such a termination payment is payable, it will be based on the total losses and costs and/or gains incurred in the termination of the Swap Agreement, and the termination payment would typically (but not necessarily) take into account the market value of the terminated Swap Agreement, based on market quotations of the cost of entering into a transaction with terms and conditions that would have the effect of preserving the economic equivalent of the respective full payment or delivery obligations of the parties under the Swap Agreement.

Regardless of which party makes the determination of the termination payment (if any), there is no assurance that the proceeds from the sale of the Underlying Securities plus or minus, as the case may be, the amount payable by the Swap Counterparty or the Issuer, as the case may be, due to the termination of the Swap Agreement, will be sufficient to repay the principal amount due to be paid in respect of the Notes and any other amounts in respect thereof that are due.

| (iii) Additional Termination Event following exercise of Morgan Stanley Exchange Option | Following an exercise of the Morgan Stanley Exchange Option by Morgan Stanley & Co. International Plc in respect of any Notes as set out in Special Condition (C) in Annex 1, a pro rata amount of the Swap Agreement relating to the Notes (if any) corresponding in each case to that proportion of the Notes to be exchanged will be terminated without any termination payment due from either party to the other thereunder. |

ANNEX 1
SPECIAL CONDITIONS

The Conditions shall be supplemented and modified by the following Special Conditions. In the event of any inconsistency between the Conditions and such Special Conditions, such Special Conditions shall prevail and the Conditions shall be amended accordingly.

(A) *Interest Rate and Accrual*

The following sentence shall be added to the first paragraph of Condition 6(a) "Interest Rate and Accrual":

"If (i) a Company or Sovereign Credit Event occurs, upon the Issuer delivering notice of such Company or Sovereign Credit Event to the relevant clearing system for communication to Noteholders, or (ii) a Mandatory Redemption Event occurs, or (iii) an Issuer's Event of Default occurs, interest in respect of the Notes will be treated as having ceased to accrue from and including the Interest Period Date falling on or immediately prior to the date upon which notice is given to the Noteholders of the occurrence of such Company or Sovereign Credit Event, or the date on which the Mandatory Redemption Event or the Issuer's Event of Default occurs, as the case may be or, in each case, the Issue Date if such event occurs before the first Interest Period Date. If the Notes are redeemed following the exercise of an Issuer Call Option, interest in respect of the Notes will cease to accrue on the Call Redemption Date."

(B) *Redemption for Taxation and Other Reasons*

(1) **Redemption following a Company or Sovereign Credit Event**

A "Credit Event" in Condition 7(c)(iii) means a "Company or Sovereign Credit Event".

Definition of Company or Sovereign Credit Event

"**Company or Sovereign Credit Event**" means the Determination Agent, acting for and on behalf of the Issuer, in its sole and absolute discretion acting in good faith having the right (but not the obligation) to declare the occurrence of a Company or Sovereign Credit Event upon the occurrence of one or more of the following events or conditions with respect to :

- (1) a Company or Obligations of a Company, which event or condition occurs on or after the Issue Date:
 - (i) Bankruptcy;
 - (ii) Failure to Pay;
 - (iii) Restructuring; or
- (2) the Sovereign Entity or Obligations of the Sovereign Entity, which event or condition occurs on or after the Issue Date:
 - (i) Failure to Pay;
 - (ii) Restructuring;
 - (iii) Repudiation/Moratorium.

If an occurrence would otherwise constitute a Company or Sovereign Credit Event, such occurrence will constitute a Company or Sovereign Credit Event whether or not such occurrence arises directly or indirectly from, or is subject to a defence based upon: (a) any lack or alleged lack of authority or capacity of the Company or, as the

case may be, the Sovereign Entity to enter into any Obligation, or as applicable, an Underlying Obligor to enter into any Underlying Obligation, (b) any actual or alleged unenforceability, illegality, impossibility or invalidity with respect to any Obligation or, as applicable, any Underlying Obligation however described, (c) any applicable law, order, regulation, decree or notice, however described, or the promulgation of, or any change in, the interpretation by any court, tribunal, regulatory authority or similar administrative or judicial body with competent or apparent jurisdiction of any applicable law, order, regulation, decree or notice, however described, or (d) the imposition of, or any change in, any exchange controls, capital restrictions or any other similar restrictions imposed by any monetary or other authority, however described.

Occurrence of a Company or Sovereign Credit Event

Upon the occurrence of a Company or Sovereign Credit Event:

- (i) the Determination Agent, acting for and on behalf of the Issuer shall be entitled to deliver to the Issuer during the Notice Delivery Period a Company or Sovereign Credit Event Notice and a Notice of Publicly Available Information;
- (ii) the Issuer shall have the right to notify the Trustee, the Principal Paying Agent, the Custodian, the Swap Counterparty and the Noteholders via Euroclear or Clearstream, Luxembourg of the relevant Company or Sovereign Credit Event (including reasonable details of the Publicly Available Information confirming such Company or Sovereign Credit Event) promptly after the Company or Sovereign Credit Event Determination Date;
- (iii) the Notes shall cease to bear interest and no further payment will be made in respect of interest accrued from the preceding Interest Period Date (or if no interest payment has yet been paid, since the Issue Date);
- (iv) the Deliverable Obligations shall be identified by the Swap Counterparty (in its sole and absolute discretion) in the Initial Principal Amount;
- (v) on the Company or Sovereign Credit Event Redemption Date, the Issuer will pay to the Swap Counterparty an amount equal to the Liquidation Proceeds and the Swap Counterparty will pay to the Issuer the Company or Sovereign Credit Event Redemption Amount (after making certain adjustments as described under the definition of Company or Sovereign Credit Event Redemption Amount below) to enable the Issuer to meet its obligations under the Notes; and
- (vi) the Issuer will redeem each Note by payment of the Company or Sovereign Credit Event Redemption Amount attributable on a pro-rata basis to one Note on the Company or Sovereign Credit Event Redemption Date converted into Hong Kong dollars at the USD/HKD exchange rate prevailing on or about the Company or Sovereign Credit Event Redemption Date, as determined by the Determination Agent, acting for and on behalf of the Issuer, in its sole and absolute discretion acting in good faith.

The Company or Sovereign Credit Event Notice setting out the occurrence of a Company or Sovereign Credit Event will include a brief description of the relevant event and the Public Source of such information, and an explanation of how it fits the definition of a Company or Sovereign Credit Event.

(2) **Redemption following a Mandatory Redemption Event**

"Other specified event" in Condition 7(c)(iv) means a "Mandatory Redemption Event".

Definition of Mandatory Redemption Event

The Notes will be subject to mandatory redemption at the relevant Mandatory Redemption Amount following the occurrence of any of the following events (each a "**Mandatory Redemption Event**"):

(i) *An Underlying Securities Default Event*

If:-

- (A) there has been a payment default in respect of any of the Underlying Securities (without regard to any grace period applicable with respect to such payments), or
- (B) the outstanding principal amount of any of the Underlying Securities is reduced or otherwise written down in accordance with their terms, or if any of the Underlying Securities are redeemed early or otherwise become repayable early in whole or in part by the issuer of such Underlying Securities prior to their scheduled dates of maturity (if any) for any reason whatsoever at a principal amount less than the outstanding principal amount the subject of such redemption or repayment, or if the payment of any principal in respect of any of the Underlying Securities is deferred beyond the scheduled maturity date (if any) of such Underlying Securities in accordance with the terms of such Underlying Securities (other than pursuant to an extension of the original scheduled maturity date of such Underlying Securities in accordance with the terms of such Underlying Securities) (an "**Underlying Securities Writedown Event**")

(where each of (A) and (B) is an "**Underlying Securities Default Event**"), the Notes will be redeemed at the Mandatory Redemption Amount specified below.

The "**Mandatory Redemption Amount**" means for the purpose of this Condition (7)(c)(iv)(i) an amount equal to Mandatory Redemption Liquidation Proceeds of the Underlying Securities and/or any proceeds received in respect of the Underlying Securities (including any amounts received as a direct result of the reduction or writedown in the principal amount of the Underlying Securities) on or prior to the Mandatory Redemption Date plus or minus (as the case may be) the Swap Settlement Amount payable by the Swap Counterparty or the Issuer (as the case may be) on the termination of the Swap Agreement. Such Mandatory Redemption Liquidation Proceeds will be subject to certain deductions relating to the costs and expenses associated with the sale of the Underlying Securities.

(ii) *A Tax Event*

If:

- (A) the Issuer on the occasion of the next payment due in respect of the Notes would be required by law to withhold or account for tax or would suffer tax in respect of its income (including but not limited to its income in respect of any of the Underlying Securities) or payments made to it under the Swap Agreement or would receive net of tax any payments in respect of any of the Underlying Securities or payments made to it under the Swap Agreement so that it would be unable to make payment of the full amount due on the Notes (and it is unable to arrange for the substitution of a company incorporated in another jurisdiction which would not impose such requirement as the principal obligor in respect of the Notes); or
- (B) any exchange controls or other currency exchange or transfer restrictions are imposed on the Issuer or any payments to be made to or by the Issuer or for any reason the cost to the Issuer of complying with its obligations under or in connection with the Notes or the Trust Deed would (in the sole opinion of the Issuer) be materially increased, the Trustee having required the Issuer to use its best endeavours to procure the substitution of a company incorporated in another jurisdiction (in which jurisdiction the relevant tax, exchange control or currency exchange or transfer restrictions does not apply) approved in writing by the Trustee as the principal obligor in respect of the Notes, or the establishment of a branch office in another jurisdiction (in which jurisdiction the relevant exchange control, or currency exchange or transfer restrictions does not apply) approved in writing by the Trustee (in each case subject to the satisfaction of certain conditions as more fully specified in the Trust Deed) from which it may continue to carry out its functions under the Notes and the Swap Agreement, and the Issuer, having used its best endeavours is unable to arrange the substitution of a company incorporated in another jurisdiction in which the relevant exchange control or currency exchange or transfer restrictions do not apply before the next payment is due in respect of the Notes

(where each of (A) and (B) is a "**Tax Event**"), the Notes will be redeemed at the Mandatory Redemption Amount specified below.

Prior to publication of any notice of redemption in respect of the circumstance set out in this sub-paragraph (ii), the Issuer shall deliver to the Trustee a certificate signed by a director of the Issuer demonstrating that the conditions precedent to the obligations of the Issuer to redeem have occurred and, in the case of a redemption of Notes under (A) above an opinion to the Issuer (in form and substance satisfactory to the Trustee) of legal advisers of recognised standing (previously approved by the Trustee) in the relevant jurisdiction to the effect that the Issuer has or will become obliged to withhold, account for or suffer such tax. The Trustee may rely on the aforementioned certificate and/or opinion without further enquiry.

The Mandatory Redemption Amount following a Tax Event shall be the Mandatory Redemption Liquidation Proceeds of the Underlying Securities plus or minus (as the case may be) the Swap Settlement Amount (if any) payable by the Swap Counterparty

or the Issuer (as the case may be) on the termination of the Swap Agreement. Such Mandatory Redemption Liquidation Proceeds will be subject to certain deductions relating to the costs and expenses associated with the sale of the Underlying Securities.

(iii) *Termination of the Swap Agreement*

If the Swap Agreement is terminated in whole or in part for any reason (other than as a result of the exercise by the Swap Counterparty of one or more Swap Counterparty Options or the giving of notice of the occurrence of a Company or Sovereign Credit Event to the Noteholders or following the exercise by the Issuer of one or more Issuer Call Options or the exercise by Morgan Stanley & Co. International Plc of the Morgan Stanley Exchange Option) and the Swap Agreement, (or the relevant part, as applicable) is not replaced on or prior to such termination, the Notes will be redeemed at the Mandatory Redemption Amount specified below.

The Mandatory Redemption Amount following termination of the Swap Agreement shall be the Mandatory Redemption Liquidation Proceeds of the Underlying Securities in a principal amount equal to the Principal Amount of the Notes, plus or minus (as the case may be) the Swap Settlement Amount (if any) payable by the Swap Counterparty or the Issuer (as the case may be) on the termination of the Swap Agreement. Such Mandatory Redemption Liquidation Proceeds will be subject to certain deductions relating to the costs and expenses associated with the sale of the Underlying Securities.

(iv) *A Restructuring of Underlying Securities Event*

If the terms and conditions of any of the Underlying Securities are amended such that the issuer of (or account bank in respect of) such Underlying Securities shall no longer be obliged to pay the same amounts on the same days as contemplated in the terms and conditions of such Underlying Securities as of the date invested in by the Issuer (a "**Restructuring of Underlying Securities Event**"), the Notes will be redeemed at the Mandatory Redemption Amount specified below.

The Mandatory Redemption Amount following a Restructuring of Underlying Securities Event shall be the Mandatory Redemption Liquidation Proceeds of the Underlying Securities plus or minus (as the case may be) the Swap Settlement Amount (if any) payable by the Swap Counterparty or the Issuer (as the case may be) on the termination of the Swap Agreement. Such Mandatory Redemption Liquidation Proceeds will be subject to certain deductions relating to the costs and expenses associated with the sale of the Underlying Securities.

Upon the occurrence of a Mandatory Redemption Event:

- (i) the Determination Agent, acting for and on behalf of the Issuer shall give prompt notice thereof to the Issuer, the Custodian, the Swap Counterparty and the Trustee (the "**Underlying Securities Event Notice**") and the Issuer shall notify the Trustee and the Noteholders via Euroclear and/or Clearstream, Luxembourg of the relevant Mandatory Redemption Event promptly after receipt of the Underlying Securities Event Notice. The Determination Agent, acting for and on behalf of the Issuer shall thereafter acting

in good faith in its sole discretion proceed, where appropriate, to arrange for and administer the sale of the Underlying Securities as agent of the Issuer by seeking, to the extent reasonably practicable, firm bid quotes on the day (the "**Underlying Securities Sale Date**") being 10 Business Days following the day on which the Underlying Securities Event Notice is delivered as aforesaid from five market makers (which market makers will not be affiliated with each other and may include Morgan Stanley & Co.
