(b) Security (order of priorities):

The Trustee shall apply all moneys received by it under the Trust Deed in connection with the realisation or enforcement of the security constituted by or pursuant to the Trust Deed in accordance with the following:

Derivatives Counterparty Priority

In accordance with the Supplemental Trust Deed, the Security for the Notes shall comprise all of the following:

- (i) a first fixed charge in favour of the Trustee over the Underlying Securities and all of the Issuer's rights attaching to or relating to the Underlying Securities and all sums derived therefrom;
- (ii) an assignment by way of first fixed charge in favour of the Trustee of all of the Issuer's rights, title and interest against the Custodian, to the extent they relate to the Underlying Securities;
- (iii) an assignment by way of first fixed charge in favour of the Trustee of all of the Issuer's rights, title and interest under each of the Swap Agreement, the Swap Guarantee, the Forward Agreement and the Forward Guarantee, and any sums received thereunder;
- (iv) a first fixed charge in favour of the Trustee over (a) all sums received under the Swap Agreement, the Swap Guarantee, the Forward Agreement and the Forward Guarantee; and (b) any sums held by the Principal Paying Agent and/or the Custodian and/or the Registrar to meet payments due in respect of the Notes; and
- (v) an assignment by way of first fixed charge in favour of the Trustee of the Issuer's rights, title and interest under the Agency Agreement in respect of the Notes and the Underlying Securities, including all sums derived therefrom in respect of the Notes and all rights against the Custodian with respect to the Underlying Securities, including without limitation all rights to the delivery of such Underlying Securities against the Custodian under the Agency Agreement or any applicable clearing system or the operator thereof or against any bank, broker or other intermediary and including all sums and other rights derived from such Underlying Securities.

In realising the

Security, in certain circumstances the Trustee is obliged to act in accordance with the directions of the Swap Counterparty (provided that sums are due to the Swap Counterparty) or the Forward Counterparty (provided that sums are due to the Forward Counterparty)

- (c) Underlying Agreement (if applicable): Not applicable
- (d) Derivatives Contract:
- (i) Swap Agreement (including the Credit Default Swap Transaction and the Asset Swap Transaction) and the Swap Guarantee:

In connection with the issue of the Notes, the Issuer has entered into, amongst other things, an ISDA Master Agreement (the “**MSCS ISDA Master Agreement**”) dated as of 30 September 2004 between the Issuer and the Swap Counterparty which MSCS ISDA Master Agreement benefits from a guarantee (the “**Swap Guarantee**”) of the Swap Guarantor dated 30 September 2004. Under the MSCS ISDA Master Agreement the Issuer has executed certain confirmations thereto which incorporate the terms of the MSCS ISDA Master Agreement. The confirmations to the MSCS ISDA Master Agreement which relate to the Notes comprise a credit default swap transaction (the “**Credit Default Swap Transaction**”) and a cross-currency and interest rate swap transaction (the “**Asset Swap Transaction**”). The MSCS ISDA Master Agreement together with the confirmations thereto which relate to the Notes are together referred to herein as the “**Swap Agreement**”.

Pursuant to the terms of the Credit Default Swap Transaction the Issuer has agreed to sell credit protection to the Swap Counterparty in relation to the Company in a notional amount equal to the Principal Amount of the Notes for a certain protection premium (the “**Credit Default Swap Premium**”) and the Issuer has agreed that following the giving of notice of the occurrence of a Company or Sovereign Credit Event, it will pay to the Swap Counterparty an amount equal to the Liquidation Proceeds and the Swap Counterparty will pay an amount equal to the Company or Sovereign Credit Event Redemption Amount (after certain adjustments have been made by the Swap Counterparty as described under the definition of Company or Sovereign Credit Event Redemption Amount set out in Annex 2 below).

Furthermore, in connection with the issue of the Notes the Issuer has entered into the Asset Swap Transaction in a notional amount equal to the Principal Amount of the Notes pursuant to which (A) the Issuer has agreed to pay to the Swap Counterparty (i) an amount equal to all

distributions in respect of interest or income receivable by the Issuer in respect of the Underlying Securities and (ii) an amount equal to the product of the Credit Default Swap Premium and the Principal Amount of the Notes and (B) the Swap Counterparty has agreed to pay to the Issuer an amount equal to all amounts of interest due in respect of the Notes

(ii) Forward Agreement and the Forward Guarantee:

In connection with the issue of the Notes, the Issuer has also entered into, amongst other things, an ISDA Master Agreement (the “**MSIL ISDA Master Agreement**”) dated 29 April 2005 between the Issuer and the Forward Counterparty which MSIL ISDA Master Agreement benefits from a guarantee (the “**Forward Guarantee**”) of the Forward Guarantor dated 29 April 2005. Under the MSIL ISDA Master Agreement the Issuer has executed certain confirmations thereto which incorporate the terms of the MSIL ISDA Master Agreement. The confirmation to the MSIL ISDA Master Agreement which relates to the Notes comprises a contingent forward transaction. The MSIL ISDA Master Agreement together with the confirmation thereto which relates to the Notes are referred to herein as the “**Forward Agreement**”.

Pursuant to the terms of the contingent forward transaction, if an Issuer Call Option is exercised in relation to the Notes, the Issuer will deliver to the Forward Counterparty the Underlying Securities in respect of the Notes, and the Forward Counterparty will pay to the Issuer a cash amount equal to the principal amount of such Underlying Securities.

Each of the Swap Agreement and the Forward Agreement may be terminated early, among other circumstances:

- (a) at the election of the non-defaulting party upon an Event of Default under the Swap Agreement or the Forward Agreement, as the case may be, including:
 - (i) the failure of the other party to pay any amount due and payable under the Swap Agreement or the Forward Agreement, as the case may be, and such failure continues for one Business Day (as defined in the Swap Agreement or the Forward Agreement, as the case may be);

- (ii) non-compliance by the Swap Guarantor or the Forward Guarantor with any of its obligations under the Swap Guarantee or the Forward Guarantee, as the case may be, or the ceasing of the Swap Guarantee or the Forward Guarantee (as the case may be) to be in full force and effect;
 - (iii) the merger of either party or the Swap Guarantor or the Forward Guarantor, as the case may be, with another entity and such entity fails to assume all of the relevant party's obligations under the Swap Agreement or the Swap Guarantee, or the Forward Agreement or the Forward Guarantee, as the case may be;
- (b) on the occurrence of certain Termination Events, including:
- (i) it becoming illegal for either party to perform its obligations under the Swap Agreement or the Forward Agreement, as the case may be, or for the Swap Guarantor or the Forward Guarantor to perform its obligations under the Swap Guarantee or the Forward Guarantee, as the case may be;
 - (ii) if (subject as provided in the Swap Agreement or the Forward Agreement, as the case may be) withholding taxes are imposed on payments made by the Issuer, the Swap Counterparty or the Forward Counterparty under the Swap Agreement and/or the Forward Agreement, as the case may be, which is not avoided by a transfer by the Affected Party (as defined in the Swap Agreement or the Forward Agreement, as the case may be) of its rights and obligations on terms provided in the Swap Agreement or the Forward Agreement, as the case may be;
 - (iii) when the Notes become repayable in whole prior to the Maturity Date (other than as a result of the occurrence of a Company or Sovereign Credit Event or as a result of the exercise of an Issuer Call Option or Swap Counterparty Option);
- (c) where a Company or Sovereign Credit Event has occurred, the Asset Swap Transaction and the Forward Agreement will terminate on the Company or Sovereign Event Determination Date; and

- (d) upon the exercise by the Issuer of the Issuer Call Option referred to in paragraph 13 above, or the exercise by the Swap Counterparty of a Swap Counterparty Option, the Asset Swap Transaction and the Credit Default Swap Transaction will terminate on the immediately following Interest Payment Date

Consequences of Early Termination:

Upon any such early termination of the Swap Agreement or the Forward Agreement (in whole or in part), as the case may be, the Notes will become repayable and the Issuer or the Swap Counterparty may (subject as set out below and provided, in the case of certain tax events that the Issuer may first be obliged to use all reasonable endeavours to transfer its obligations) be liable to make a termination payment to the other in respect of the Swap Agreement (regardless, if applicable, of which of such parties may have caused such termination).

Further, under the terms of the Swap Agreement and the Forward Agreement, termination payments will not be payable following termination as a result of the exercise by the Issuer of an Issuer Call Option, the exercise by the Swap Counterparty of a Swap Counterparty Option, or the occurrence of a Company or Sovereign Credit Event Determination Date (save in respect of any amounts which should have been paid prior to the date of termination and which remain unpaid).

Where such a termination payment is payable, it will be based on the total losses and costs and/or gains incurred in the termination of the Swap Agreement or the Forward Agreement, as the case may be, and the termination payment would typically take into account the market value of the terminated Swap Agreement or the Forward Agreement, as the case may be, based on market quotations of the cost of entering into a transaction with terms and conditions that would have the effect of preserving the economic equivalent of the respective full payment obligations of the parties under the Swap Agreement or the Forward Agreement, as the case may be.

Regardless of which party makes the determination of the termination payment (if any), there is no assurance that the proceeds from the sale of the Underlying Securities plus or minus, as the case may be, the amount payable by the Swap Counterparty/Forward Counterparty or the Issuer, as the case may be, due to the termination of the Swap Agreement or the Forward Agreement, as the case may be, will be sufficient to repay the principal amount due to be paid in respect of the Notes and any other amounts in respect thereof that are due

ANNEX 1
SPECIAL CONDITIONS

The Conditions shall be supplemented and modified by the following Special Conditions. In the event of any inconsistency between the Conditions and such Special Conditions, such Special Conditions shall prevail and the Conditions shall be amended accordingly.

(A) *Interest Rate and Accrual; Interest Amounts*

(1) Interest Rate and Accrual

The following sentence shall be added to the first paragraph of Condition 6(a) "Interest Rate and Accrual":

"If (i) a Company or Sovereign Credit Event occurs, upon receipt by the Issuer of a Company or Sovereign Credit Event Notice and a Notice of Publicly Available Information confirming the occurrence of a Company or Sovereign Credit Event, or (ii) an Early Redemption Event occurs, or (iii) an Issuer's Event of Default occurs, interest in respect of the Notes will be treated as having ceased to accrue from and including the Interest Payment Date falling on or immediately prior to the date upon which notice is given to the Noteholders of the occurrence of such Company or Sovereign Credit Event, or the date on which the Early Redemption Event or the Issuer's Event of Default occurs, as the case may be or, in each case, the Issue Date if such event occurs before the first Interest Payment Date."

(2) Interest Amount Calculation

The Interest Amount payable on each Note in respect of an Interest Accrual Period will be calculated as follows:

$$\text{Interest Amount} = \text{Denomination} \times I \times (N / 365)$$

where:

"I" means the Interest Rate for the relevant Interest Accrual Period specified in paragraph 21 of the Pricing Supplement for the Notes.

"N" is the total number of calendar days in an Interest Accrual Period on which 6-month USD LIBOR is (or, as the case may be, is deemed to be) within the relevant LIBOR Accrual Range; and

"LIBOR Accrual Range" in respect of an Interest Accrual Period means (both rates inclusive):

Interest Accrual Period ending on:

15 December 2005:	0% to 4.50% per annum
15 June 2006:	0% to 4.50% per annum
15 December 2006:	0% to 5.00% per annum
15 June 2007:	0% to 5.00% per annum
15 December 2007:	0% to 5.50% per annum
15 June 2008:	0% to 5.50% per annum
15 December 2008:	0% to 5.50% per annum

15 June 2009:	0% to 5.50% per annum
15 December 2009:	0% to 6.00% per annum
15 June 2010:	0% to 6.00% per annum
15 December 2010:	0% to 6.00% per annum

Subject as provided below, the rate of 6-month USD LIBOR will be determined by the Calculation Agent (at its sole discretion) on each calendar day in an Interest Accrual Period by reference to the rate for deposits in US dollars for a 6-month period as displayed on the Telerate Page “3750” (or such other page as may replace that page on that service, or such other service as may be nominated by the information vendor, for the purpose of displaying comparable rates) as at 11:00 a.m. (London time) on each such day, as provided in Condition 6(c) where the Primary Source is Telerate Page “3750”.

If, on any calendar day in an Interest Accrual Period, the rate of 6-month USD LIBOR does not appear on the Telerate Page as described above or is not available for whatever reason, the rate of 6-month USD LIBOR for such day will be deemed to be the same as the rate of 6-month USD LIBOR determined by the Calculation Agent, or deemed to be the rate of 6-month USD LIBOR for, on the immediately preceding calendar day.

The rate of 6-month USD LIBOR will only be determined as described above for each calendar day in an Interest Accrual Period up to and including the 5th Business Day (the “**Determination Date**”) prior to the Interest Period End Date in respect of that Interest Accrual Period. If 6-month USD LIBOR is within the relevant LIBOR Accrual Range on the Determination Date, interest will accrue for each calendar day following such Determination Date in that Interest Accrual Period. If the 6-month USD LIBOR falls outside the relevant LIBOR Accrual Range on the Determination Date, interest will not accrue for each calendar day following such Determination Date in that Interest Accrual Period.

In these Conditions, “**Interest Period End Date**” means 15 June and 15 December in each year, commencing on 15 December 2005 up to and including the Scheduled Maturity Date.

(B) *Redemption for Taxation and Other Reasons*

(1) **Redemption following a Company or Sovereign Credit Event**

A “Credit Event” in Condition 7(c)(iii) means a “Company or Sovereign Credit Event”.

Definition of Company or Sovereign Credit Event

“**Company or Sovereign Credit Event**” means the Determination Agent in its sole and absolute discretion acting in good faith having the right (but not the obligation) to declare the occurrence of a Company or Sovereign Credit Event upon the occurrence of one or more of the following events or conditions with respect to:

- (1) a Company or Obligations of a Company, which event or condition occurs on or after the Issue Date:
 - (i) Bankruptcy;
 - (ii) Failure to Pay;
 - (iii) Restructuring; or

(2) the Sovereign Entity or Obligations of the Sovereign Entity, which event or condition occurs on or after the Issue Date:

- (i) Failure to Pay;
- (ii) Restructuring;
- (iii) Repudiation/Moratorium.

If an occurrence would otherwise constitute a Company or Sovereign Credit Event, such occurrence will constitute a Company or Sovereign Credit Event whether or not such occurrence arises directly or indirectly from, or is subject to a defence based upon: (a) any lack or alleged lack of authority or capacity of the Company or, as the case may be, the Sovereign Entity to enter into any Obligation, or as applicable, an Underlying Obligor to enter into any Underlying Obligation, (b) any actual or alleged unenforceability, illegality, impossibility or invalidity with respect to any Obligation or, as applicable, any Underlying Obligation however described, (c) any applicable law, order, regulation, decree or notice, however described, or the promulgation of, or any change in, the interpretation by any court, tribunal, regulatory authority or similar administrative or judicial body with competent or apparent jurisdiction of any applicable law, order, regulation, decree or notice, however described, or (d) the imposition of, or any change in, any exchange controls, capital restrictions or any other similar restrictions imposed by any monetary or other authority, however described.

Occurrence of a Company or Sovereign Credit Event

Upon the occurrence of a Company or Sovereign Credit Event:

- (i) the Determination Agent shall be entitled to deliver to the Issuer during the Notice Delivery Period a Company or Sovereign Credit Event Notice and a Notice of Publicly Available Information;
- (ii) the Issuer shall have the right to notify the Trustee, the Principal Paying Agent, the Custodian, the Swap Counterparty, the Forward Counterparty and the Noteholders via Euroclear or Clearstream International of the relevant Company or Sovereign Credit Event (including reasonable details of the Publicly Available Information confirming such Company or Sovereign Credit Event) promptly after the Company or Sovereign Credit Event Determination Date;
- (iii) the Notes shall cease to bear interest and no further payment will be made in respect of interest accrued from the preceding Interest Payment Date (or if no interest payment has yet been paid, since the Issue Date);
- (iv) the Deliverable Obligations shall be identified by the Swap Counterparty (in its sole and absolute discretion) with an Initial Principal Amount equal to the Principal Amount of the Notes;
- (v) the Issuer will pay to the Swap Counterparty an amount equal to the Liquidation Proceeds and the Swap Counterparty will pay to the Issuer the Company or Sovereign Credit Event Redemption Amount (after making certain adjustments as described under the definition of Company or Sovereign Credit Event Redemption Amount below) to enable the Issuer to meet its obligations under the Notes; and
- (vi) the Issuer will redeem each Note by payment of the Company or Sovereign Credit Event Redemption Amount attributable on a *pro rata* basis to one Note on the

Company or Sovereign Credit Event Redemption Date converted into Hong Kong dollars at the exchange rate prevailing on or about the Company or Sovereign Credit Event Redemption Date, as determined by the Determination Agent.

The Company or Sovereign Credit Event Notice setting out the occurrence of a Company or Sovereign Credit Event will include a brief description of the relevant event and the Public Source of such information, and an explanation of how it fits the definition of a Company or Sovereign Credit Event.

(2) Redemption following an Early Redemption Event

“Other specified event” in Condition 7(c)(iv) means an “Early Redemption Event”.

Definition of Early Redemption Event

The Notes will be subject to early redemption at the relevant Early Redemption Amount following the occurrence of any of the following events (each an “**Early Redemption Event**”):

(i) An Underlying Securities Default Event

If there has been a payment default in respect of the Underlying Securities (without regard to any grace period applicable with respect to such payments), or if the outstanding principal amount of the Underlying Securities is reduced or otherwise written down in accordance with their terms or if the Underlying Securities are redeemed early or otherwise becomes repayable early in whole or in part by the issuer(s) of the Underlying Securities prior to their scheduled dates of maturity for any reason whatsoever at a principal amount less than the outstanding principal amount the subject of such redemption or repayment (each an “**Underlying Securities Default Event**”), the Notes will be redeemed at the Early Redemption Amount specified below.

The “**Early Redemption Amount**” means for the purpose of this Condition (7)(c)(iv)(i) an amount equal to Mandatory Redemption Liquidation Proceeds of the Underlying Securities and/or amounts received as a direct result of the reduction or writedown in the principal amount of and/or any proceeds received and/or redemption proceeds in respect of the Underlying Securities on or prior to the Early Redemption Date plus or minus (as the case may be) the Swap Settlement Amount payable by the Swap Counterparty and/or the Forward Counterparty or the Issuer (as the case may be) on the termination of the Swap Agreement and/or the Forward Agreement, as the case may be. Such Mandatory Redemption Liquidation Proceeds will be subject to certain deductions relating to the costs and expenses associated with the sale of the Underlying Securities.

(ii) A Tax Event

If:

- (A) the Issuer on the occasion of the next payment due in respect of the Notes would be required by law to withhold or account for tax or would suffer tax in respect of its income (including but not limited to its income in respect of the

Underlying Securities) or payments made to it under the Swap Agreement and/or the Forward Agreement or would receive net of tax any payments in respect of the Underlying Securities or payments made to it under the Swap Agreement and/or the Forward Agreement so that it would be unable to make payment of the full amount due on the Notes (and it is unable to arrange for the substitution of a company incorporated in another jurisdiction which would not impose such requirement as the principal obligor in respect of the Notes); or

- (B) or any exchange controls or other currency exchange or transfer restrictions are imposed on the Issuer or any payments to be made to or by the Issuer or for any reason the cost to the Issuer of complying with its obligations under or in connection with the Notes or the Trust Deed would (in the sole opinion of the Issuer) be materially increased, the Trustee having required the Issuer to use its best endeavours to procure the substitution of a company incorporated in another jurisdiction (in which jurisdiction the relevant tax, exchange control or currency exchange or transfer restrictions does not apply) approved in writing by the Trustee as the principal obligor in respect of the Notes, or the establishment of a branch office in another jurisdiction (in which jurisdiction the relevant exchange control, or currency exchange or transfer restrictions does not apply) approved in writing by the Trustee (in each case subject to the satisfaction of certain conditions as more fully specified in the Trust Deed) from which it may continue to carry out its functions under the Notes and the Swap Agreement and/or Forward Agreement, and the Issuer, having used its best endeavours is unable to arrange the substitution of a company incorporated in another jurisdiction in which the relevant exchange control or currency exchange or transfer restrictions do not apply before the next payment is due in respect of the Notes

(where each of (A) and (B) is a “**Tax Event**”), the Notes will be redeemed at the Early Redemption Amount specified below.

Prior to publication of any notice of redemption in respect of the circumstance set out in this sub-paragraph (ii), the Issuer shall deliver to the Trustee a certificate signed by a director of the Issuer demonstrating that the conditions precedent to the obligations of the Issuer to redeem have occurred and, in the case of a redemption of Notes under (A) above an opinion to the Issuer (in form and substance satisfactory to the Trustee) of legal advisers of recognised standing (previously approved by the Trustee) in the relevant jurisdiction to the effect that the Issuer has or will become obliged to withhold, account for or suffer such tax. The Trustee may rely on the aforementioned certificate and/or opinion without further enquiry.

The Early Redemption Amount following a Tax Event shall be the Mandatory Redemption Liquidation Proceeds of the Underlying Securities plus or minus (as the case may be) the Swap Settlement Amount (if any) payable by the Swap Counterparty and/or the Forward Counterparty or the Issuer (as the case may be) on the termination of the Swap Agreement and/or the Forward Agreement, as the case may be. Such Mandatory Redemption Liquidation Proceeds will be subject to certain deductions relating to the costs and expenses associated with the sale of the Underlying Securities.

(iii) *Termination of the Swap Agreement or the Forward Agreement*

If any of the Swap Agreement or Forward Agreement is terminated in whole or in part for any reason (other than as a result of the exercise by the Swap Counterparty of one or more Swap Counterparty Options or the giving of notice of the occurrence of a Company or Sovereign Credit Event to the Noteholders or following the exercise by the Issuer of one or more Issuer Call Options) and the Swap Agreement or the Forward Agreement, as the case may be, (or the relevant part, as applicable) is not replaced on or prior to such termination, the Notes will be redeemed at the Early Redemption Amount specified below.

The Early Redemption Amount following termination of the Swap Agreement and/or the Forward Agreement shall be the Mandatory Redemption Liquidation Proceeds of the Underlying Securities in a principal amount equal to the Principal Amount of the Notes, plus or minus (as the case may be) the Swap Settlement Amount (if any) payable by the Swap Counterparty and/or the Forward Counterparty or the Issuer (as the case may be) on the termination of the Swap Agreement and/or the Forward Agreement, as the case may be. Such Mandatory Redemption Liquidation Proceeds will be subject to certain deductions relating to the costs and expenses associated with the sale of the Underlying Securities.

(iv) *A Restructuring of Underlying Securities Event*

If the terms and conditions of the Underlying Securities are amended such that the issuer(s) of the Underlying Securities shall no longer be obliged to pay the same amounts on the same days as contemplated in the terms and conditions of the Underlying Securities as of the date purchased by or on behalf of the Issuer (a “**Restructuring of Underlying Securities Event**”), the Notes will be redeemed at the Early Redemption Amount specified below.

The Early Redemption Amount following a Restructuring of Underlying Securities Event shall be the Mandatory Redemption Liquidation Proceeds of the Underlying Securities plus or minus (as the case may be) the Swap Settlement Amount (if any) payable by the Swap Counterparty and/or the Forward Counterparty or the Issuer (as the case may be) on the termination of the Swap Agreement and/or the Forward Agreement, as the case may be. Such Mandatory Redemption Liquidation Proceeds will be subject to certain deductions relating to the costs and expenses associated with the sale of the Underlying Securities.

five market makers (which market makers will not be affiliated with each other and may include Morgan Stanley & Co. International Limited or any of its Affiliates) in the Underlying Securities and selling the Underlying Securities to the highest bidder. If, on the Underlying Securities Sale Date, the Determination Agent has not received a firm bid quotation in respect of the Underlying Securities then on the next Business Day (and, if necessary, on each Business Day thereafter for up to a total of 10 Business Days) the Determination Agent shall attempt to obtain firm bid quotes, as aforesaid, for the Underlying Securities and sell the Underlying Securities to the highest bidder (if any) on that day. If no quote is received on or prior to that 10th Business Day, the sale price thereof shall be deemed to be nil. Notwithstanding the foregoing, the Underlying Securities may only be sold to Morgan Stanley & Co. International Limited or any of its Affiliates as the highest bidder if a bid was also received in respect of the Underlying Securities from a party not affiliated to Morgan Stanley & Co. International Limited or one of its Affiliates;

- (ii) upon receipt of the sale proceeds of the Underlying Securities (or determination that the sale price is zero), the Issuer shall apply the net sale proceeds (if any) thereof (having deducted all costs, expenses and disbursements in connection with such sale) together with the termination payment (if any) payable to the Issuer under the Swap Agreement and/or the Forward Agreement to redeem the Notes by payment of the applicable Early Redemption Amount (as described below) on or prior to the 10th Business Day after receipt of such sale proceeds (or determination that the sale price is zero) and the termination payment (if any) (the “**Early Redemption Date**”); and
- (iii) the Notes so redeemed shall cease to bear interest and no further payment will be made in respect of interest accrued from the preceding Interest Payment Date (or if no interest has yet been paid, since the Issue Date).

Upon the occurrence of an Early Redemption Event, the relevant Early Redemption Amount will be paid to the Noteholders pro rata to their holdings of Notes and will be converted into Hong Kong dollars at the exchange rate prevailing on or about the date fixed for redemption, as determined by the Determination Agent. Following application of such net sale proceeds together with the termination payment (if any) under the Swap Agreement and/or the Forward Agreement, no further amounts will be available to meet any remaining claims of the Noteholders and any such claims will be extinguished.

- (C) Condition 16 “Notices” shall be amended as follows:

The following paragraph shall be added to the last paragraph of Condition 16:
