### Pinnacle Notes Series 5

**USD Fixed Rate First-to-Default Credit-Linked Notes due 2011 (and extendable to 2014 if the Issuer exercises its Issuer Extension Option) (ISIN: SG7M03934316) ("Tranche A Notes")**

**SGD Fixed Rate First-to-Default Credit-Linked Notes due 2011 (and extendable to 2014 if the Issuer exercises its Issuer Extension Option) (ISIN: SG7M04934323) ("Tranche B Notes")**

**(each a "Tranche" and the notes of any or all Tranches, the "Notes") issued by Pinnacle Performance Limited pursuant to its U.S.\$5,000,000,000 Structured Note Programme (the "Programme")**

We refer to our notices to distributors of the Notes dated 3 November 2008, 8 December 2008, 2 April 2009 and 7 May 2009 informing you of recent credit events which have occurred in relation to the Underlying Assets for the Notes and the related loss calculations.

As previously, although we are under no obligation to provide information in respect of the Notes or the Underlying Assets beyond that specified in the Prospectus, in the present exceptional circumstances we believe it may be helpful to write to all Distributors to provide certain information relating to the Notes and the Underlying Assets.

At the date of this notice, the Underlying Assets for the Notes consist of Series 2007-15 Class IIA Floating Rate Notes due 2011 and extendable to 2014 issued by Morgan Stanley ACES SPC acting for the account of the Series 2007-15 Segregated Portfolio (the "**Underlying Assets**"). As at the Issue Date, the credit rating assigned by Fitch to the Underlying Assets was "AA".

As mentioned in our previous notices to distributors of the Notes dated 3 November 2008, 8 December 2008, 2 April 2009 and 7 May 2009, since the Issue Date, credit events have occurred in respect of Federal Home Loan Mortgage Corporation, Federal National Mortgage Association, Glitnir banki hf., Kaupthing banki hf., Landsbanki Islands hf., Abitibi-Consolidated Inc. and Syncora Guarantee Inc. Whilst these are not Reference Entities under the Notes, they are reference entities under the Underlying Assets. As mentioned in our notice to the distributors of the Notes dated 3 November 2008, the credit rating assigned by Fitch to the Underlying Assets was previously lowered to "B" (Rating Watch: Negative). As a result of these credit events and recent market turmoil, the credit rating assigned by Fitch to

the Underlying Assets has been further lowered to "CC" with a Recovery Rating of "RR6" on 1 May 2009.

As at the date of this notice, the occurrence of these credit events has not resulted in a Mandatory Redemption Event in relation to the Notes. The Issuer can give no assurance as to whether a Mandatory Redemption Event will or will not occur in relation to the Notes in the future.

If you have any questions or queries regarding this notice or the Notes, please consult your own legal, tax, accountancy or other professional adviser as you may see fit.

Capitalised terms used but not otherwise defined in this notice or otherwise specified shall have the meanings ascribed thereto in the Pricing Statement relating to the Notes dated 2 March 2007 (the "**Pricing Statement**"). The Pricing Statement and certain other documents and information in relation to the Notes can be viewed on the following website: [www.morganstanley.com/pinnaclenotes](http://www.morganstanley.com/pinnaclenotes).

Yours faithfully
