

Complaints Handling Procedures

Morgan Stanley Private Wealth Management Asia, operating through the Hong Kong head office of Morgan Stanley Bank Asia Limited (“MSBAL”) or the Singapore branch of Morgan Stanley Bank Asia Limited (“MSBAL, Singapore Branch”)(collectively, the “Firm”)

COMPLAINTS HANDLING PROCEDURES - DEFINITION OF COMPLAINT

A client complaint is any oral or written statement by a client, a prospective client, or a person acting on behalf of a client or prospective client alleging a grievance about the activities of the Firm or the Firm’s current or former personnel and includes, but is not limited to, any allegation relating to the solicitation or execution of any transactions, the disposition of a client’s securities or funds, or any error in the activity reported in a client’s account statement.

RECEIVING COMPLAINT

When the Firm receives any letter, facsimile, email, telephone call or personal communication which may constitute a complaint about the services that the Firm provided or failed to provide, the Firm will attempt to resolve the matter promptly and fairly.

The Firm’s policy requires all complaints received to promptly be reported to senior management which will in turn involve the Firm’s Legal and Compliance department.

ACKNOWLEDGEMENT OF COMPLAINTS

Once the Firm receives a complaint, the Firm will send the client an acknowledgement of the complaint promptly. Depending on the nature of the complaint, a final response or a holding response (setting out reasons for the delay and indicating when the Firm expects to be able to provide a final response) will be sent to the client.

Generally, we are required to send an acknowledgement to the client within seven days from the receipt of a complaint. A final response will be sent to client within 30 days from the receipt of the complaint and if this is not possible, a holding response will be sent followed by a final response within a reasonable timeframe (which may vary depending on the nature of the complaint but will in any event be within 60 days from receipt of the complaint).

All proposed responses will be reviewed and cleared by Legal and Compliance department and the relevant stakeholders involved in the complaint before they are sent to the client.

INVESTIGATIONS

All complaints must be fully investigated by an employee of sufficient competence and seniority in the Firm who was not directly involved in the matter which is the subject of the complaint. Senior management will appoint such an employee (usually within branch management of the Firm) who will work closely with Legal and Compliance and other relevant stakeholders to analyse the complaint and determine the appropriate remedial actions to be taken if required. All employees are required to co-operate fully with the investigation.

COMPLAINTS INVOLVING OTHER MORGAN STANLEY AFFILIATES

Where the complaint relates to services performed by affiliates of the Firm, including, but not limited to, Morgan Stanley & Co. International plc, the Firm will liaise with such affiliates, as appropriate, to ensure the complaint is properly addressed.
