Section 5—Electronic Funds Transfer Service Terms and Conditions and Additional Disclosures

These Funds Transfer Service Terms and Conditions and Additional Disclosures (the "Terms") govern your use of the Morgan Stanley Funds Transfer Service (the "Service") to electronically transfer funds to and from your Morgan Stanley Smith Barney LLC brokerage account (the "Morgan Stanley Account") and your accounts at other financial institutions ("Outside Bank Accounts") as identified above. These transfers are referred to herein as "Transfers." These Terms supplement the terms and conditions in the agreement governing your Morgan Stanley Account (the "Account Agreement"), which are incorporated therein by reference. In the event of any conflict between these Terms and the terms and conditions in your Account Agreement, these Terms shall govern with respect to your use of the Service. If you have also enrolled in Morgan Stanley.com's Online Transfers Service, any transfers that you initiate by contacting your Financial Advisor to act on your instructions, will be governed by these Terms. Outside Bank Accounts that you enroll in the Service must share at least one (1) common owner with the Morgan Stanley Account.

By agreeing to these Terms, you are authorizing Morgan Stanley to initiate debit and credit transactions with your Morgan Stanley Account(s) and Outside Bank Accounts to effect Transfers and to correct errors. You further understand and agree that you will not be able to rescind any Transfer that has reached the Executed status. A Transfer is given the "Executed" status by Morgan Stanley when all required internal Morgan Stanley approvals have been obtained and Morgan Stanley has initiated the processing of the Transfer; you may contact your Branch or go online to find out whether a Transfer has reached the "Executed" status. However, as discussed below, "Executed" does not mean that payment of the Transfer is complete. Should an incorrect

amount be transferred, you authorize Morgan Stanley to correct the error through its initiation of a debit/credit to your Morgan Stanley Account(s) and Outside Bank Account(s), as applicable. Should a correction not be possible (due to, for example, insufficient funds), you agree to promptly deposit into your Morgan Stanley Account any amount you may owe Morgan Stanley.

This authorization will remain in full force and effect until Morgan Stanley has received notification from you of its termination in such time and in such manner as to afford Morgan Stanley and your depository institutions a reasonable opportunity to act on it. Please contact your Financial Advisor if you wish to terminate use of the Service.

Once you have submitted a signed Form authorizing Transfers, or you have provided such authorization online as part of the Online Transfers Service, Morgan Stanley may initiate one-time Transfers if you give oral authorization to your Branch. To initiate a Recurring Transfer (i.e., a Transfer that you set up for a fixed amount and which occurs on a regular, recurring basis), you must provide a signed Form authorizing such Recurring Transfer. By authorizing a Recurring Transfer, you are also authorizing one-time Transfers to and from the same Morgan Stanley Account(s) and Outside Bank Account(s).

With Respect to the Service

- You understand and agree that (i) certain account types may be prohibited from utilizing the Service, and Morgan Stanley has the right, in its sole discretion, to restrict your use of the Service; (ii) Morgan Stanley may in its sole discretion modify or discontinue the Service, which may include, without limitation, limiting and/or expanding any of the functionalities relating to the Service; and
- You represent and warrant that (i) you own and have authority over each Morgan Stanley Account in connection with the Service; and (ii) you own and have authority over each Outside Bank Account in connection with the Service.

With Respect to Transfers

- You understand that we may use a variety of banking channels and facilities to make Transfers, including, but not limited to, the Automated Clearing House network ("ACH Network"), and you authorize us to use any such channel in our discretion. You acknowledge that Transfers may be subject to the rules of the applicable local ACH Network (including, but not limited to, the National Automated Clearing House rules), the rules of the Federal Reserve System and the rules of the Clearing House Interbank Payment System. You agree not to initiate Transfers in violation of applicable law, regulations or any such rules.
- Morgan Stanley may reject any Transfer in its sole discretion, including rejections based on, but not limited to, the status of the applicable Morgan Stanley Accounts, Outside Bank Accounts or facts suggesting a possible fraudulent transaction. Please call your financial advisor for the status of transfers.
- All Transfers are provisional, and are subject to being rejected or reversed, even if the Transfer has been given an "Executed" status or the funds have been made available in your Morgan Stanley Account, or Outside Bank Account. For example, withdrawals from your Morgan Stanley account may be rejected, reversed or revoked by us or by the institution that holds your Outside Bank Account for a number of reasons (including, but not limited to, insufficient funds in your Morgan Stanley Account. If more than one deposit into your Morgan Stanley Account is returned, reversed or revoked (for example, due to insufficient funds), your enrollment in the Service may be discontinued. If we discontinue your enrollment in the Service, you will need to re-enroll in order to make future funds transfers. Partial funds transfers are not permitted.
- If a Transfer is given a status of "Executed" prior to 8:00 p.m. Eastern (the "Cutoff Time") on a Business Day, the funds will be available in your Morgan Stanley Account on the next Business Day. If the cutoff time is missed, the transaction will take an additional business day to process. Notwithstanding the foregoing, however, Transfers to your Morgan Stanley Account are subject to applicable deposit hold policies. Regarding transfers to an Outside Bank Account, the availability of the funds will be subject to the policies of the external institution.
- Fees: No fees are imposed by Morgan Stanley for use of the Service. However, other fees relating to your Morgan Stanley Account (such as insufficient funds fees) may apply.
- Business Days: For purposes of the Service, Business Days are Monday through Friday. Holidays (including bank holidays and holidays when the New York Stock Exchange is closed) are not included.
- Transfers can be cancelled and/or modified if the cancellation/modification instructions are provided to your Branch in sufficient time for your Branch to act on the cancellation or modification of the instruction prior to the transaction reaching the "Executed" status.
- If you request a request a Transfer to an Outside Bank Account, the availability of the funds will be subject to the funds availability policies of the institution that holds your Outside Bank Account. In addition, such Transfers may be reversed, as noted above.
- Outside Bank Accounts that you enroll in the Service must share at least one (1) common owner with the Morgan Stanley Account.
- We may process your Transfer based solely on the bank identifying number, even if your Transfer indicates a different bank name, and any bank to which we send payment may process the Transfer based on the account or other identifying number you provide, even if the account or other identifying number does not match your name or the name of your intended payee.
- If the scheduled date for a Recurring Transfer falls on a non-Business Day, the deposit or withdrawal will be made on the Business Day prior to the scheduled date (but is provisional as noted above).
- If you instruct us to limit the total value of a series of recurring payments to a specified amount (a "Cap") and the amount of the cap cannot be evenly divided by the amount of your recurring payment, then the cap effectively will limit the amount of the last payment in the series. In that case, you authorize us to reduce the final recurring payment to the amount that would cause the total of your recurring payments under that authorization to equal the cap.

Record of Funds Transfers

Your Morgan Stanley Account statement will list the funds transfers in your Morgan Stanley Account. If you have arranged to have preauthorized electronic transfers made to an Morgan Stanley Account at least once every 60 calendar days from the same person or company, you can call your Branch to find out whether or not the deposit has been made or utilize the Contact Information below.

Limitations on Dollar Amounts of Transfers

Each Transfer must be greater than \$1 and may be made for up to \$999,999.99 to or from your Morgan Stanley Account, provided that there are sufficient funds in your Morgan Stanley Account or the Outside Bank Account to cover the Transfer.

Preauthorized Payments

- Right to Stop Payment and Procedure for Doing So. If you have told us in advance to make a payment out of your Morgan Stanley Account (including Recurring Transfers), you can stop any of these payments. Here's how: Call us at (888) 454-3965 or if you are calling from outside the U.S. you may call (801) 617-9150 or write us at Morgan Stanley Smith Barney, Attn: Client Correspondence Department, P.O. If you call, we may also require you to put your request in writing and get it to us within fourteen (14) calendar days after you call.
- Notice of Varying Amounts. If regular (recurring) payments vary in amount, we will notify you 10 calendar days before each payment, telling you when it will be made and how much it will be. If the amount of a recurring payment is reduced because you have placed a Cap on the total amount of payments, as provided above, we will not provide you separate notice of the reduction of the final recurring payment.
- Liability for Failure to Stop Payment of Preauthorized Payment. If you order us to stop a payment three (3) Business Days or more before the scheduled transfer date for the payment, and we do not do so, we will be liable for your losses or damages to the extent provided under applicable law.

Confidentiality

We will disclose information to third parties about your Morgan Stanley Account or Transfers: (i) where it is necessary for completing Transfers, or (ii) in order to verify the existence and condition of your Morgan Stanley Account for a third party, such as a credit bureau or merchant, or (iii) in order to comply with government agency or court orders, (iv) if you give us your written permission, or (v) as disclosed in the Morgan Stanley Privacy Policy.

Your Liability for Unauthorized Transfers

Please notify us AT ONCE, if our statement shows Transfers that you did not make. Telephoning is the best way of keeping your possible losses down. If you do not tell us within 60 calendar days after the statement was mailed to you, you may not get back any money you lost after the 60 calendar days if we can prove that we could have stopped someone from taking the money if you had told us in time. If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time periods.

If we do not complete an electronic funds transfer to or from your Morgan Stanley Account on time or in the correct amount according to our agreement with you, we will be liable for your losses or damages. However, there are some exceptions. We will not be liable, for instance:

- if, through no fault of ours, you do not have enough money in your Morgan Stanley Account or Outside Bank Account to make the Transfer;
- if the system was not working properly and you knew about the breakdown when you started the Transfer;
- if circumstances beyond our control (such as fire or flood) prevent the Transfer, despite reasonable precautions that we have taken;
- if the failure to complete a transaction on time or in the correct amount was caused by a third party;
- if the failure to complete a transaction on time or in the correct amount was caused by actions we have taken to address the security of our systems or our customer's information;
- if the transaction or related funds are subject to legal or regulatory encumbrance or other process preventing or restricting the Transfer;
- if we revoked or suspended your Morgan Stanley Account for inactivity or other reason in our discretion
- if you provided inaccurate or incomplete information regarding the Transfer; or
- if the Transfer appears suspicious, fraudulent or unauthorized, and we cannot confirm that it is a legitimate Transfer, or if the Transfer is (or appears to be) prohibited by law, the NACHA rules or any payment system rules;
- In the event of any other exceptions stated herein, or permitted by applicable law.

3. Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within ten (10) Business Days.

We will determine whether an error occurred within ten (10) Business Days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to forty-five (45) calendar days to investigate your complaint or question. If we decide to do this, we will credit your Morgan Stanley Account within ten (10) Business Days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within ten (10) Business Days, we may not credit your Morgan Stanley Account.

For errors involving new Morgan Stanley Accounts or foreign-initiated transactions, we may take up to ninety (90) calendar days to investigate your complaint or question. For new Morgan Stanley Accounts, we may take up to twenty (20) Business Days to credit your Morgan Stanley Account for the amount you think is in error.

We will tell you the results within three Business Days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask us for copies of the documents that we used in our investigation.

Section 6—WIRE TRANSFER TERMS and CONDITIONS

By placing an outgoing wire transfer request, or request to disburse/transfer funds or securities with Morgan Stanley ("we" or "us"), you agree to the following terms and conditions.

Reliance by Morgan Stanley. You agree that Morgan Stanley may rely upon the information you have provided in Section 5 of this form in making your outgoing wire transfer or disbursement/transfer of funds or securities and agree that any errors in that information, including misidentification of beneficiaries, incorrect or inconsistent account names and numbers, and misspellings, are your responsibility. Morgan Stanley is authorized to charge your account for any outgoing wire transfer made by Morgan Stanley utilizing instructions indicated in Section 5 of this form even when use of these instructions may result in a person other than the final beneficiary being paid or the transfer of funds to a bank other than the final beneficiary's bank or the intermediary bank designated by you.

Transfer to Final Destination Bank. When you place an outgoing wire transfer request with Morgan Stanley, you must select a financial institution as the final destination bank for the transfer. For transfers within the U.S., The final destination bank must be a member of the Federal Reserve System or a correspondent bank of such a member, or a CHIPS (Clearing House Interbank Payment System) member. Outside Bank Accounts that you enroll in the Service must share at least one (1) common owner with the Morgan Stanley Account.

By signing this form, you authorize Morgan Stanley to deduct all fees and charges in executing this outgoing wire transfer request and other charges related thereto.

Once the outgoing wire transfer is completed, the funds will be deposited to a particular account at the final destination bank. The final destination bank will be responsible for following your instructions and for notifying the final beneficiary that the funds are available. If you identify a final beneficiary by name and account number, the final destination bank may pay the funds to the person identified by the account number, and your payment will be final even if the account number provided does not correspond to your final beneficiary.

Once the funds are transferred to the final destination bank, the funds become the property of the final destination bank, and the final destination bank is responsible to locate, identify and make payment to your final beneficiary as per your instructions.

Please note that in the event you provide Morgan Stanley with an inaccurate recipient account number and/or institution identifier, we will use reasonable efforts to recall the funds but there may be a significant delay in re-depositing them to your account and, in some cases, loss of the transfer amount.

Currency of Transfer. Transfer may be made in a number of currencies. For such funds transfers, we will convert your U.S. dollar payment to the local currency at Morgan Stanley's exchange rate in effect at that time. The exchange rate includes a commission to Morgan Stanley for exchanging the currency. In the event we cannot make a transfer in the desired currency, we would need to make the transfer in U.S. dollars. For international outgoing wire transfer requests, because of the laws of the country in which the final destination bank is located, some transfers may be required to be converted to the local currency before deposit into the receiving account. Morgan Stanley cannot guarantee that your final beneficiary will be able to receive U.S. dollars. If your outgoing wire transfer must be converted to the local currency, the final destination bank may charge a fee for this exchange. Regardless of the currency transferred or whether the transfer is domestic or international, the actual amount that your final beneficiary receives may be reduced by charges imposed by the final destination bank, including those for exchanging currency.

Means of Transfer. To complete outgoing wire transfers, Morgan Stanley uses a variety of banking channels and facilities, but will ordinarily use electronic means. You agree that we may choose any means that we deem suitable to transfer your funds to your final beneficiary. Because we do not maintain banking relations with every bank, it may be necessary for us to use one or more intermediary banks before your funds are transferred to the final destination bank.

While Morgan Stanley will make every reasonable effort to ensure that your request is properly processed, we do not guarantee that the transfer of funds will reach the final beneficiary since processing by intermediary banks may be necessary to complete the transfer.

Once we transmit your request to an intermediary bank, it will be that bank's responsibility to ensure that your request is completed.

Recalls/Amendment. You may recall or amend your outgoing wire transfer request only if we receive such request at a time that provides us a reasonable opportunity to act upon your request and if the funds have not already been made available to your final beneficiary or the final destination bank otherwise agrees to recall or amend your outgoing wire transfer request. If you decide that you do not want the funds transferred, Morgan Stanley will first have to check with the final destination bank to determine whether the final destination bank can return your funds. If the final destination bank confirms that the funds are returnable and the funds are returned to Morgan Stanley by the final destination bank, Morgan Stanley will re-credit your Morgan Stanley account. If your wire transfer is to a foreign country, at a minimum you may cancel for a full refund within 30 minutes of ordering the transfer, unless the funds have been picked up or deposited.

We need not, however, make any refund unless and until we are in receipt of proof satisfactory to us that payment of this request has not been completed, that this request is no longer operative, that no charge by virtue of this request exists or will be made against the account upon which this request was drawn, and that any portion of that account which was charged or earmarked for payment is at our free disposal. The amount that is returned to you may be less than you originally transferred because of service charges of the final destination bank or Morgan Stanley. Your refund will be in U.S. dollars.

Rejection of a Request. We reserve the right to reject your outgoing wire transfer request. We may reject your request if you have insufficient available funds in your account, if your request is incomplete or unclear or if we are unable to fulfill your request for any other reason.

Delays, Non-Execution of Outgoing Wire Transfer Request. While we will handle your outgoing wire transfer request as expeditiously as possible, you agree that, except as otherwise required by applicable law, Morgan Stanley will not be responsible for any delay, failure to execute or misexecution of your request due to circumstances beyond Morgan Stanley's reasonable control, including without limitation any inaccuracy, interruption, delay in transmission, or failure in the means of transmission, whether caused by strikes, power failures, equipment malfunctions, or acts or omissions of any intermediary bank or final destination bank.

MORGAN STANLEY MAKES NO GUARANTEES, EXPRESS OR IMPLIED, ABOUT THE TIMELINESS OF ANY WIRE TRANSFER REQUESTED PURSUANT TO THE INSTRUCTIONS ESTABLISHED BY THIS FORM.

Claims. For wires to a U.S. destination, you agree that within thirty days after you receive notification that your outgoing wire transfer request or request to disburse/transfer funds or securities has been executed, you will notify us of any errors, delays or other problems related to your request. In the event that it is determined your outgoing wire transfer request or request to disburse/transfer funds or securities is delayed or erroneously executed as a result of Morgan Stanley's error, Morgan Stanley's sole obligation to you, is to pay or refund such amounts as may be required by applicable law. In no event shall Morgan Stanley be responsible for any consequential or incidental damages or expenses in connection with your request. Any claim for interest payable by Morgan Stanley shall be at Morgan Stanley's internal Cost of Funds rate.

You have a right to dispute errors in your transaction. If your wire transfer is to a foreign country, you have additional federal law protections for errors in processing your transfer. Please contact us within 180 days from the funds availability date at 1-800-355-3086 to notify us of any such errors or other problems. You can also contact us for a written explanation of your rights for non-U.S. transfers.

In any event, if you fail to notify us of any claim concerning your outgoing wire transfer request or request to disburse/transfer funds or securities within one year from the date that you receive notification that your request has been executed, any claim by you will be barred under applicable law.

Governing Law. This Agreement will be governed by the laws of the state of New York and United States federal law, as applicable.

Section 7 — Payee Certification

- I certify that I have provided Morgan Stanley with correct information, and I understand that a distribution or distributions will be made from the above referenced Morgan Stanley CESA based on that information, and as a result of this direction.
- I certify that this distribution request is in accordance with the provisions of the CESA and satisfies applicable federal and state law requirements.
- I understand that I am responsible for maintaining sufficient cash or marketable securities in the account to support these distributions.
- I understand that Morgan Stanley, its affiliates and Morgan Stanley Financial Advisors and Private Wealth Advisors do not provide tax or legal advice, and that Morgan Stanley and its affiliates strongly recommend that I consult my tax or legal advisor prior to completing and signing this form.
- I hereby indemnify and hold harmless Morgan Stanley and its affiliates for any tax consequences of this distribution request and the elections made above.
- Morgan Stanley may rely on my certification without further investigation or inquiry and shall not be liable for any misrepresentation of fact.
- For income tax purposes, any and all securities distributed in-kind will be valued as of the close of business on the day each asset is distributed.
