PGIM Custom Harvest LLC Form ADV 2025 Annual Amendment

Summary of Material Changes

The following material updates have been made to the PGIM Custom Harvest Form ADV Part 2A Brochure:

Item 8. The Brochure has been revised to list U.S. Equity Plus 130/30 Hedged strategy as an investment strategy that is available through PGIM Custom Harvest. The U.S. Equity Plus 130/30 Hedged strategy offers investors access to a managed portfolio of passive ETFs designed to provide a broad domestic equity exposure with additional long positions equivalent to 30% of the account value along with a 30% short position.

In addition to the material changes described above, certain of the risk descriptions in Item 8 of the Brochure have been updated, including artificial intelligence risk, inflation risk and risk associated with global conflict.
