Eligible purchases are purchases for goods and services minus returns and other credits. Eligible purchases do NOT include fees or interest charges, balance transfers, cash advances, purchases of travelers checks, purchases or reloading of prepaid cards, purchases of other cash equivalents, gift cards, person-to-person transactions, or any portion of a purchase that is covered by Reward Dollars at point of sale. Basic Card Members will earn a reward of 6% cash back on the first \$6,000 of eligible purchases in a calendar year (then 1%) at supermarkets located in the U.S. (superstores, convenience stores, warehouse clubs and meal-kit delivery services are not considered supermarkets) 6% cash back on eligible purchases of U.S. streaming subscriptions from select providers (the current list of select providers is available at americanexpress.com/rewards-info). If a subscription is bundled with another product or service or billed by a third party (such as a digital platform, a cable, telecommunications or internet provider or a car manufacturer), the purchase may not be eligible; 3% cash back on eligible purchases on transit, including trains, taxicabs, ride share services, ferries, tolls, parking, buses and subways (airfare, car rental and cruises are not considered transit); 3% cash back on eligible purchases of gasoline at gas stations located in the U.S. (superstores, supermarkets and warehouse clubs that sell gasoline are not considered gas stations); and 1% cash back on all other eligible purchases. A purchase with a merchant will not earn additional rewards if the merchant's code is not included in a reward category. Basic Card Members may not receive additional rewards if we receive inaccurate information or are otherwise unable to identify your purchase as eligible for a reward category. For example, Basic Card Members may not receive additional rewards when: a merchant uses a third-party to sell their products or services or a merchant uses a third-party to process or submit your transaction to us (e.g., using mobile or wireless card readers); or you choose to make a purchase using a third-party payment account or make a purchase using a mobile or digital wallet. Please visit americanexpress.com/rewards-info for more information about rewards. Basic Card Members can redeem reward dollars for statement credits or for eligible items at Amazon.com checkout, with no minimum redemption amount. Basic Card Members cannot use cash back to pay the Minimum Due. The Basic Card Member must link their Card Account to their Amazon.com account in order to use reward dollars at Amazon.com. When a Basic Card Member uses reward dollars at Amazon.com, we will charge their Card Account for the purchase, deduct the reward dollars from the available reward dollars on their Card Account and apply a credit to their Card Account to reflect the reward dollars used. In addition to these Terms and Conditions, the terms and conditions for Shop with Points at Amazon.com apply to eligible purchases made with reward dollars at Amazon.com.

¹¹. If, in any calendar year, the total eligible purchases charged to your Morgan Stanley Blue Cash Preferred® Card Account equal \$15,000 or more ("Purchase Requirement"), you will receive a \$100 statement credit ("100 Statement Credit"). The \$100 Statement Credit will be posted to your account within 8-12 weeks after the Purchase Requirement is met. Please call the number on the back of the Card if the statement credit has not posted after 12 weeks from the date when you met the Purchase Requirement. The close of the calendar year is December 31,

without regard to the time of the year that the account is opened. This means that for the first year of Card Membership, the Card Member’s eligibility period for the \$100 Statement Credit may be less than twelve months. The benefit is only available to the Basic Card Member; however, eligible purchases made by Additional Card Members will contribute to the Purchase Requirement. Eligible purchases to meet the Purchase Requirement are for goods and services minus returns and other credits. Purchases to meet the Purchase Requirement do NOT include fees or interest charges, balance transfers, cash advances, purchases of traveler’s checks, purchases or reloading of prepaid cards, purchases of gift cards, person-to-person payments, or purchases of any cash equivalents. Note that the \$100 Statement Credit received during a calendar year may be reversed if the eligible purchases are returned/cancelled, or if you engage in abuse or misuse in connection with the benefit (for example, if you do not maintain an eligible Card Account for the duration of the calendar year).
