

## Taxonomy - TRAK Fund Solution Asset Class Reclassifications

**Starting in May 2015, Morgan Stanley began to implement a series of changes to standardize the asset classification of securities and investment products offered in various Consulting Group advisory programs. As a result of this effort, certain mutual funds held in clients' TRAK Fund Solution accounts will be reclassified.**

**The below chart lists the TRAK Fund Solution mutual funds that will be reclassified to the New Asset Class.**
