This disclosure document relates to mutual fund and/or group annuity products that can be offered by Morgan Stanley Financial Advisors and Private Wealth Advisors as a result of various distribution and service arrangements with insurance companies, mutual fund companies and other financial services companies.

### Fidelity Advisor Recordkeeping Program:

Please note that the fees associated with your product selection are termed as "Deposit Based Compensation" and "Asset Based Compensation." To be more specific, the Provider pays Morgan Stanley compensation in the form of commissions based upon the product selected. The up-front commission ("Deposit Based Compensation") is calculated as a percentage of the purchase payment, whereas Asset Based Compensation is determined based on the on-going asset value of the investment. Asset Based Compensation is payable either from the purchase date or after a specified time period from the purchase date.

In order to meet our disclosure obligations and to assist you in identifying the fee arrangements associated with your Provider selection, **Fidelity Advisor**, please refer to the compensation schedules noted below related to your mutual fund and/or group annuity plan with **Fidelity Advisor**.

Please also note that these schedules provide a fee range for the different compensation options **Fidelity Advisor** allows in relation to Morgan Stanley's selling agreement with **Fidelity Advisor**. Your compensation arrangement will fall within one of the compensation options noted below. For more specific compensation information, please refer to the contract/agreement and additional disclosure documentation provided by **Fidelity Advisor** and/or call your Morgan Stanley Financial Advisor or Private Wealth Advisor.

#### Role of Morgan Stanley and Financial Advisor or Private Wealth Advisor in Program Selection

Morgan Stanley offers plan sponsors access to a wide selection of retirement plan Providers on its retirement plan provider platform. In order to more effectively service our plan clients, Morgan Stanley provides retirement education, tools, access to certain plan account information, and other services to its Financial Advisors and Private Wealth Advisors.

Financial Advisors and Private Wealth Advisors provide guidance by reviewing plan needs and objectives, evaluating the capabilities of certain Providers and helping you to identify one or more Providers that meet your Plan's needs. The selection of any particular retirement plan program by the plan sponsor is not done at the recommendation of, or at the discretion of, Morgan Stanley, or the Financial Advisor or Private Wealth Advisor. Unless otherwise provided under applicable law, neither Morgan Stanley nor the Financial Advisor or Private Wealth Advisor is a fiduciary under the Employee Retirement Income Security Act of 1974, as amended, the Internal Revenue Code, or any other law with respect to the selection of any retirement plan program made by the plan sponsor. This disclosure document only applies where your Plan is not covered by a consulting agreement with Morgan Stanley; please contact your Financial Advisor or Private Wealth Advisor if you have received this disclosure and your Plan is covered by such a consulting agreement.

Morgan Stanley offers various retirement plan programs that may pay more, or less, compensation to Morgan Stanley and the Financial Advisor or Private Wealth Advisor than the program selected. Also, investment options within a particular program may pay varying levels of compensation to the Financial Advisor or Private Wealth Advisor. Differences in compensation between programs or investment options may represent a conflict of interest.

Important Terms and Disclosu

**Product Expenses / Payments to Morgan Stanley Affiliated Product Providers** Except as otherwise disclosed herein, this report solely covers compensation received by Morgan Stanley. Among other things, this report does not cover items such as commissions or other charges resulting from transactions not effected through Morgan Stanley. Further, please be reminded that your plan bears a proportionate share of the fees and expenses incurred by any mutual funds or other investment products in which it is invested. The prospectus, descriptive brochure, offering memorandum or similar documents for such products describe these internal fees and expenses in detail. Finally, with respect to any “proprietary” mutual fund or other investment product (such as mutual funds or other investment products for which Morgan Stanley Investment Management, Inc. (“MSIM”) or other Morgan Stanley affiliate serves as an investment manager or investment adviser), the fees and expenses paid to any Morgan Stanley affiliate from those products (such as investment management or similar fees) are not included in this document. However, the specific payments to MSIM or other Morgan Stanley affiliates can be found in the prospectus, descriptive brochure, offering memorandum or similar documents issued for such products.

**Payments from Other Service Providers** Other service providers (including companies that sponsor investment options made available to qualified retirement plans through Morgan Stanley) may participate in Morgan Stanley-sponsored internal training and education conferences and meetings, and may make payments to, or for the benefit of, Morgan Stanley, its Financial Advisors or Private Wealth Advisors to reimburse for the expenses incurred for these events. Morgan Stanley provides sponsorship opportunities and access to our branch offices, Financial Advisors and Private Wealth Advisors to such third party service providers for educational, marketing and other promotional efforts. Certain service providers (referred to as “Emerging Partners” or “Global Partners” and, collectively, as “Partners”) dedicate significant financial and staffing resources to these activities. Partners may receive additional opportunities to sponsor Morgan Stanley events and promote their products to Financial Advisors, Private Wealth Advisors and clients. Morgan Stanley selects service providers to be Partners based on quantitative and qualitative criteria. Any payments made by other service providers could lead Financial Advisors or Private Wealth Advisors to focus on products managed by these providers (including in particular our Partners) when recommending products to clients instead of those from other service providers that do not commit similar resources to educational, marketing and other promotional efforts.

In 2012, when viewed in relation to total Morgan Stanley client assets of in excess of \$1.6 trillion, the payment made by each such service provider (including both those that qualify as Partners and those that do not) equaled an amount of not more than 47/10,000 of one basis point (otherwise expressed, 17/1,000,000 of one percent). We do not believe that such payments were made in connection with retirement plan business specifically, and were certainly not made in connection with any particular retirement plan, but, for perspective, the amount of retirement plan assets included in the total Morgan Stanley client asset number set forth above is approximately \$112 billion. In 2012, such service providers included the following financial institutions:

Alliance Bernstein Investments	Jackson National Life Insurance Company
American Century	Janus Capital Group
American Funds	John Hancock
AMG-Managers Investment Group & Affiliates	JPMorgan Asset Management
AQR	Lazard Asset Management

Goldman Sachs Asset Management	Putnam Investments
Guggenheim Funds	RS Funds
The Hartford	State Street Global Advisors
The Hartford Life and Annuity	SunAmerica Annuity & Life
ING Investment Management	T.Rowe Price
Invesco Distributors	Thornb

Other providers may have made similar payments. On request, your Financial Advisor or Private Wealth Advisor can provide you with additional detail on these payments and inform you if they have attended and/or plan to attend the Morgan Stanley-sponsored conferences/meetings. Furthermore, we believe that payments will be made by a similar list of institutions during 2013 and thereafter. On request, your Financial Advisor or Private Wealth Advisor can provide you with additional detail on whether a provider makes such payments during a particular year, and the amount of such payments.

Other service providers may also sponsor their own educational conferences and pay expenses of Financial Advisors or Private Wealth Advisors attending these events. Morgan Stanley's policies require that the training or educational portion of these conferences comprises substantially all of the event. Such service providers may sponsor educational meetings or seminars in which clients as well as Financial Advisors and Private Wealth Advisors are invited to participate. Other service providers are also allowed to occasionally give nominal gifts to Financial Advisors or Private Wealth Advisors, and to occasionally entertain Financial Advisors or Private Wealth Advisors, subject to a limit of \$1,000 per employee per year. Morgan Stanley's non-cash compensation policies set

conditions for each of these types of payments, and do not permit any gifts or entertainment conditioned on achieving a sales target. On request, your Financial Advisor or Private Wealth Advisor can provide you with an annual estimate of the aggregate value of gifts or entertainment that service providers pay or provide to Morgan Stanley or particular Financial Advisors or Private Wealth Advisors. You should, of course, also feel free to ask your Financial Advisor or Private Wealth Advisor if they have attended any events sponsored by other service providers and/or plan to do so in the future.

We address conflicts of interest by ensuring that any payments described in this "Payments from Other Service Providers" section do not relate to any particular transactions or investment made by Morgan Stanley clients with service providers. Service providers participating in programs described in this document are not required to make any of these types of payments. The payments described in this section comply with FINRA rules relating to such activities.
