Questo materiale è stato redatto a solo scopo informativo e non è da intendersi come una raccomandazione o un'offerta per l'acquisto o la vendita di valori mobiliari o l'adozione di una strategia d'investimento specifica. Gli investitori devono essere consapevoli del fatto che una strategia diversificata non protegge da una perdita in un particolare mercato.

Tutti gli investimenti comportano dei rischi, tra cui la possibile perdita del capitale. Le informazioni contenute nel presente documento non tengono conto delle circostanze personali del singolo cliente e non rappresentano una consulenza d'investimento, né sono in alcun modo da interpretarsi quale consulenza fiscale, contabile, legale o normativa. A tal fine, nonché per conoscere le implicazioni fiscali di eventuali investimenti, si raccomanda agli investitori di rivolgersi a consulenti legali e finanziari indipendenti prima di prendere qualsiasi decisione d'investimento.

Il ricorso alla leva aumenta i rischi. Pertanto, una variazione relativamente contenuta nel valore di un investimento può determinare una variazione eccessiva, sia in senso positivo che negativo, nel valore di quell'investimento e, di conseguenza, nel valore del Comparto. L'investimento nel Comparto riguarda l'acquisizione di quote o azioni di un comparto e non di un dato attivo sottostante, come la costruzione o le azioni di una società, in quanto si tratta solo degli attivi sottostanti detenuti.
