**NOTICE TO THE SHAREHOLDERS OF MORGAN STANLEY INVESTMENT FUNDS EUROPEAN
EQUITY ALPHA FUND (THE "MERGING SUB-FUND") AND MORGAN STANLEY INVESTMENT
FUNDS EUROPEAN CHAMPIONS FUND (THE "RECEIVING SUB-FUND")**

(THE "MERGING ENTITIES")

22 October 2019

Dear Shareholders,

The board of directors of the Company (the "**Board of Directors**") has decided to merge the Merging Sub-Fund into the Receiving Sub-Fund (the "**Merger**"). The Merger shall become effective on 29 November 2019 (the "**Effective Date**").

This notice describes the implications of the Merger. Please contact your financial advisor if you have any questions on the content of this notice. The Merger may impact your tax situation. Shareholders should contact their tax advisor for specific tax advice in relation to the Merger.

Capitalized terms not defined herein have the same meaning as in the prospectus of the Company (the "**Prospectus**").

1. Background and rationale for the Merger

Morgan Stanley Investment Management Limited (the "**Investment Adviser**"), believes that, given the changes in the market dynamics over the last decade, a higher exposure to a reduced selection of European companies may better serve client interests in the future. Based on the Investment Adviser's forward-looking investment outlook, it is thought that a greater focus on strategic investing and the higher active share of stocks in the Receiving Sub-Fund may be better positioned than that of the Merging Sub-Fund.

Due to the higher active shares in the Receiving Sub-Fund, the management fee of the Receiving Sub-Fund is higher than the management fee of the Merging Sub-Fund. The exact management fee changes per share class are referenced in Appendix 1.

2. Summary of the Merger

- (i) The Merger shall become effective and final between the Merging Entities and vis-à-vis third parties on the Effective Date.
- (ii) On the Effective Date, all assets and liabilities of the Merging Sub-Fund will be transferred to the Receiving Sub-Fund. The Merging Sub-Fund will cease to exist as a result of the Merger and thereby will be dissolved on the Effective Date without going into liquidation.

- (iii) No general meeting of shareholders shall be convened in order to approve the Merger and shareholders are not required to vote on the Merger.
- (iv) Shareholders of the Merging Entities who do not agree with the Merger have the right to request, prior to 1PM CET on 22 November 2019, the redemption of their shares or the conversion of their shares in shares of the same or another share class of another sub-fund of the Company, not involved in the Merger, free of charges (with the exception of any applicable contingent deferred sales charges and any charges retained by the Merging Sub-Fund to meet disinvestment costs). (Please see section 6 *Rights of shareholders of the Merging Entities in relation to the Merger* below).
- (v) On the Effective Date, shareholders of the Merging Sub-Fund will automatically be issued the relevant shares, as mentioned below, of the Receiving Sub-Fund in exchange for their shares of the Merging Sub-Fund, in accordance with the relevant share exchange ratios. Such shareholders will participate in the performance of the Receiving Sub-Fund as from such date. Shareholders will receive a confirmation note showing their holding in the Receiving Sub-Fund as soon as practicable after the Effective Date. For more detailed information please see section 6 (*Rights of shareholders of the Merging Entities in relation to the Merger*) below.
- (vi) Subscriptions, redemptions and/or conversions of shares of the Merging Entities will still be possible as described in section 7 below.
- (vii) Procedural aspects of the Merger are set out in section 7 below.
- (viii) The Merger has been approved by the *Commission de Surveillance du Secteur Financier* (the “**CSSF**”)
- (ix) The timetable below summarises the key steps of the Merger.

Notice sent to shareholders	22 October 2019
Subscriptions for, or conversions to shares of the Merging Sub-Fund not accepted or processed	1PM CET on 22 November 2019
Redemptions of shares of the Merging Sub-Fund not accepted or processed	1PM CET on 22 November 2019
Calculation of share exchange ratios	29 November 2019
Effective Date	29 November 2019

- (x) Dealings will not be impacted in the Receiving Sub-Fund.

3. Impact of the Merger on the respective shareholders of the Merging Entities

3.1 *Impact of the Merger on the shareholders of the Merging Sub-Fund*

The Merger will be binding on all the shareholders of the Merging Sub-Fund who have not exercised their right to request the redemption of their shares under the conditions and within the timeframe set out below. The Merger will result in the conversion of their holdings in the Merging Sub-Fund into share(s) of the Receiving Sub-Fund. This conversion will take place on the Effective Date and in accordance with the terms and exchange ratio as further described below. No subscription fee will be levied within the Receiving Sub-Fund as a result of the Merger.

To facilitate the Merger, the Investment Adviser will rebalance the portfolio of the Merging Sub-Fund ahead of the Merger. Nevertheless, the Merging Sub-Fund will continue to be compliant with its investment objective, investment policy and investment restrictions as set out above during the month preceding the Effective Date.

The shareholders of the Merging Sub-Fund will bear the transaction costs associated with rebalancing the portfolio of the Merging Sub-Fund.

Based on the portfolio composition at the time of the Merger, the following fixed transaction costs may be incurred by the shareholders within the Merging Sub-Fund:

- 0.0225% Broker Commission on all equity trades
- 0.50% UK Stamp Duty on UK securities
- 0.30% French Financial Transactional Tax on French securities
- 0.10% Italian Financial Transactional Tax on Italian securities

Other variable costs associated with the rebalancing of the portfolio of the Merging Sub-Fund may be incurred.

Due to the higher active shares and the more concentrated portfolio in the Receiving Sub-Fund, the management fee of the Receiving Sub-Fund is higher than the management fee of the Merging Sub-Fund. For more detailed information please see Appendix 1 (*Schedule of principal differences between the Merging Entities*).

The recommended holding period of the Receiving Sub-Fund is 5 – 7 years, whereas the recommended holding period for the Merging Sub-Fund is 3 – 5 years. For more detailed information please see Appendix 1 (*Schedule of principal differences between the Merging Entities*).

3.2 *Impact of the Merger on the shareholders of the Receiving Sub-Fund*

The Merger will be binding on all the shareholders of the Receiving Sub-Fund who have not exercised their right to request the redemption or the conversion of their shares prior to 1 PM CET on 22 November 2019. For the shareholders of the Receiving Sub-Fund, the Merger will not have any foreseeable impact apart from a rise of the assets under management of the Receiving Sub-Fund. It is not foreseen that the Merger will cause a dilution of the performance of the Receiving Sub-Fund. Dealings in the Receiving Sub-Fund are not impacted by the Merger.

In order to protect the shareholders of the Receiving Sub-Fund, the Company may apply its swing pricing policy to the net asset values per share of the Receiving Sub-Fund so as to mitigate any potential dilutive effects which may result from the flow of cash from the Merging Sub-Fund to the Receiving Sub-Fund or otherwise from net flows on the Effective Date.

The Investment Adviser will not rebalance the portfolio of the Receiving Sub-Fund after the Effective Date.

4. **Characteristics of the Merging Entities**

Appendix 1 highlights the material differences between the Merging Entities, including setting out their respective investment objectives and policies, synthetic risk and reward indicators, management fees and, on a share class by share class basis, their total expense ratios.

In addition to the information in Appendix 1, shareholders of the Merging Sub-Fund should carefully read the description of the Receiving Sub-Fund in the Prospectus and in the KIID of the Receiving Sub-Fund before making any decision in relation to the Merger.

5. **Criteria for valuation of assets and liabilities**

For the purpose of calculating the share exchange ratios, the rules laid down in the Articles of Incorporation and the Prospectus for the calculation of the net asset value will apply to determine the value of the assets and liabilities of the Merging Entities.

As described above, the Company may apply its swing pricing policy to the net asset values per share of the Receiving Sub-Fund so as to mitigate any potential dilutive effects which may result from the flow of cash from the Merging Sub-Fund to the Receiving Sub-Fund or otherwise from net flows on the Effective Date.

6. Rights of shareholders of the Merging Entities in relation to the Merger

On the Effective Date, shareholders of the Merging Sub-Fund will automatically be issued, in exchange for their shares in the Merging Sub-Fund, a number of registered shares in the relevant absorbing share class of the Receiving Sub-Fund, as further detailed under section 4(e) (*merging and receiving classes of shares - features and characteristics*) of Appendix 1 below.

The number of relevant share(s) to be issued in the Receiving Sub-Fund in exchange of the holding(s) in the Merging Sub-Fund will be, for each share class, calculated as follows:

Number of shares in the relevant share class in the Merging Sub-Fund multiplied by the relevant exchange ratio (to be calculated on the basis of the respective net asset values per share of the relevant share classes of the Merging Entities as of 29 November 2019)

An exchange rate between the currency of the merging share classes and EUR may need to be applied if the net asset value of the merging share class is not calculated in any of the currencies used for the calculation of the net asset value of the relevant receiving share class.

Where the application of the relevant share exchange ratio does not lead to the issuance of full shares in the Receiving Sub-Fund, the shareholders of the Merging Sub-Fund will receive fractions of shares up to three decimal points within the Receiving Sub-Fund.

No subscription fee will be levied within the Receiving Sub-Fund as a result of the Merger.

Shareholders of the Merging Sub-Fund will acquire rights as shareholders of the Receiving Sub-Fund from the Effective Date and will participate in the performance of the net asset value of the relevant share class in the Receiving Sub-Fund as of the Effective Date.

Shareholders of the Merging Entities who do not agree with the Merger have the right to request the redemption or, where possible, the conversion of their shares at the applicable net asset value, free of charge (with the exception of any applicable contingent deferred sales charges and any charges retained by the Merging Entities to meet disinvestment costs) during the thirty (30) calendar days following the date of the present notice.

7. Procedural aspects

No shareholder vote is required in order to carry out the Merger under Article 24 of the Articles of Incorporation. Shareholders of the Merging Entities who do not agree with the Merger may request the redemption or conversion of their shares as stated under section 6 (*Rights of shareholders of the Merging Entities in relation to the Merger*) above prior to 1PM CET on 22 November 2019.

7.1 Suspensions in dealings

In order to implement the procedures needed for the Merger in an orderly and timely manner, the Board of Directors of the Company has decided that, unless previously agreed:

- Subscriptions for, or conversions to shares of the Merging Sub-Fund for investors who are not already shareholders in the Merging Sub-Fund will not be accepted or processed with effect from 1PM CET on 22 November 2019; and
- Redemptions of, subscriptions for and conversions to shares of the Merging Sub-Fund will not be accepted or processed from 1PM CET on 22 November 2019 onwards.

There will be no impact on dealings in shares of the Receiving Sub-Fund as a result of the Merger. Redemptions, subscriptions and conversions will be accepted as normal, subject to the terms of the Prospectus, throughout the Merger process.

7.2 *Confirmation of the Merger*

Each shareholder in the Merging Sub-Fund will receive a notification confirming (i) that the Merger has been carried out and (ii) the number of shares of the relevant class of shares of the Receiving Sub-Fund that they hold after the Merger.

Each shareholder in the Receiving Sub-Fund will receive a notification confirming that the Merger has been carried out.

7.3 *Publications*

This information shall also be made publicly available, where required by regulation, in other jurisdictions where shares of the Merging Entities are distributed.

7.4 *Approval by competent authorities*

8. **Costs of the Merger**

The Management Company will bear the legal, advisory and administrative costs and expenses associated with the preparation and completion of the Merger.

9. **Taxation**

The Merger of the Merging Sub-Fund into the Receiving Sub-Fund may have tax consequences for shareholders. Shareholders should consult their professional advisers about the consequences of this Merger on their individual tax position.
