

An announcement from the SICAV Directors

## News about Morgan Stanley Investment Funds

### WHAT THIS IS ABOUT

- Modernisation of the fund prospectus for greater information transparency and investor protection.
- No action is required.

Luxembourg, 17 June 2024

Dear Shareholder:

**A milestone change in the way we communicate with our shareholders** We are pleased to announce the release of the new Morgan Stanley Investment Funds prospectus.

In line with our commitment to always deliver accurate, timely, and transparent information, we decided to transform the SICAV prospectus, with the goal of making it more investor friendly.

**No material changes** Even though the new prospectus is different as to presentation and formatting, nothing about your investment itself has changed. Matters such as fund objectives, strategies, and risks remain the same as before, and fees remain unchanged. There will be no material adverse impact to your rights or interests.

**Main features of the new prospectus** We have structured the SICAV prospectus in three main parts:

- descriptions of the funds
- information about share classes and how to make an investment
- information about the SICAV and business governance

The prospectus content is written in accessible, plain language. It also uses visual cues and cross-references to facilitate document navigation and search of information.

Capitalised terms used in this announcement shall have the meaning ascribed to them in the new prospectus, unless the context otherwise requires.

The result is a prospectus that is significantly shorter, better organised, and easier to understand. The new prospectus will be the one dated June 2024 and you can check it out on the SICAV website ([www.morganstanleyinvestmentfunds.com](http://www.morganstanleyinvestmentfunds.com)) or request a free copy at the registered office of the SICAV or at the offices of foreign representatives.

The Board of Directors accepts responsibility for the accuracy of the information contained in this announcement. Should you have any questions or concerns about the foregoing, please contact the SICAV at its registered office in Luxembourg, its investment manager Morgan Stanley Investment Management Limited, or the representative of the SICAV in your jurisdiction.
